

Jal Blue and Gold

(School Song)

**To Jal we sing our song of praise.
Her colors we will proudly raise.
Her sons and daughters we shall stand,
To honor Jal throughout the land.**

**Though high school days will pass away,
Her gold shall never turn to gray.
Nor time nor change shall e'er destroy,
The royal blue we now enjoy.**

**So join us with resounding cheers.
Renew your hearts with courage strong,
And fight for Jal through all the years.
Go forward as we sing our song.**

**Stand, neighbors, listen to the band;
Then join us in our song of praise.
To Jal we pledge each heart and hand,
To make the most of high school days.**
