Jal School Foundation Report

Please find enclosed the latest report on the financial condition of the Jal School Foundation for Excellence.

Because of the “matching grant” we received from the Permian Basin Foundation, we now have a pretty nice foundation base. Hopefully ex-students will continue to make donations in order to make our financial base even better.

There are a few of us that continue to make donations and to you I sincerely tip my hat and thanks. It may not be the same high school that we knew and loved, but it is still in need of support.

I can't tell you how much I enjoyed the reunion and how much I care for my classmates.

Thanks, and may God continue to bless each of you,

Doug Grimes
